CAMERON, MILAM COUNTY, TEXAS, THURSDAY, MARCH 4, 1948

NUMBER 42

How Green Was Our Valley?

In 1946 the first of the two years of the Noble Experiment, the City started out its fiscal year with \$14,426.56 in its general fund representing a carryover from the previous year but most of this money had already been pledged in donations and other spending, none of which was for improvements. The total to account for during the year was \$143,908.47. This total included the Airport fund and the Centennial Fund, plus sinking funds. When the year had ended the city had paid out \$117,653.37 and had on hand \$26,255.10.

Of the balance on hand only \$9,734.18 remained in the general fund and the city had borrowed \$2000 at the bank depository. The money paid out during the year represented the school's portion plus funded debt obligations which amount represents less than one fourth of our total city rate. By this we mean all rates including the school maintenance. The city continued in that year to levy and spend \$1.10 of its total rate of \$1.50 for general fund expenditures.

It was in 1946, the beginning thereof, that the Noble Experiment was more or less expected to shape a budget for the city and make way for certain needed improvements. The Mountain burgeoned with civic itch and brought forth the Utility proposal and later wanted to pave the only paved streets we have. Exhausted by the welter of great achievement the Noble Experiment settled down to approving the bills as usual and increasing activity in the general fund.

In 1946 the city collected a total of \$105,161.17. It had for its share plus carry over \$73,815.85 and the public schools received \$33,442.62. About the only nest egg we have left is the delinquent tax roll, and it is getting out of date. The sum of \$42,101.34 in delinquent taxes is now due the city.

The year 1946 was not much different than any other year so far as the general policy goes. It just so happened that we had civic club ineptitude at the throttle and the lynch pin slipped out of our logic.

It should be of interest to the people to know what the city does with the money paid in. In 1946 the Aldermen received a total of \$1500 or a total of \$300 each. The Aldermen receive a salary which represents \$12.50 for each session of the council. In the street department the city spent \$16,781.64. It cost \$4,620.95 to operate the Fire Department. The city paid out a total of \$5,185.42 for utility bills, about \$4,500.00 of this amount being for water and lights. It cost the city \$6,691.25 to operate the city marshal plan of police. The city spent \$4,414.17 in its so called sanitary department and of this amount \$4,264.17 went for labor and wages. The mayor received a total of \$1,260.00. The city attorney received \$1,300.00. The city spent \$6,209.34 on City Parks. It cost \$5,069.60 to operate the offices of the Secretary and Collector. The city paid \$1200 in rent on the building it now occupies. There is an item of \$8,702.98 a total of 34 items of expense paid out of the general fund, the largest being band uniforms at \$3,500.00 and a donation of \$1,000 to the Health Unit.

It was a good year and we shall have more of the same, much more. How Green was our Valley?

DAN TYSON WILL BE CANDIDATE FOR JUDGE

County Judge Dan Tyson will be a candidate for the nomination in the July 24 Primary election.

Judge Tyson was appointed to the place by the Commissioners Court to succeed the late Judge Jeff T. Kemp.

Judge Tyson said he would issue a formal announcement of his candidacy for a first elective term in the office in a few days.

Historic Press Of The Herald Sold To Hondo Herald

A Campbell newspaper press, used by the Herald was sold this week to the Hondo-Anvil Herald.

William E. Berger, publisher of the Hondo paper, was in Cameron Monday to close the deal and met E. L. Thomas, pressman, who will erect the press for him.

The old press has a history and despite its long use is in fine state of repair and ready to run. Jesse Kirk will haul the press, already erected, to Hondo Friday.

Theatres Here Aid Battleship Texas Fund; Film On To-Day

The only great fighting ship in the history of the navy to be preserved as a memorial will come to rest at San Jacinto in Texas.

This ship is the famous Texas and while Cameron has had a generous share in the fund already the Cameron Theatre is aiding by giving you an opportunity to contribute to the money jar in the lobby.

On the screen starting to-day Linda Darnell and Dana Andrews both Texans bring you a story of the great fighting ship.

Patrons at the theatre may see this added attraction and give whatever they feel like giving with no obligations to give at all.

It will be pretty hard to turn down the appeal once you see the special picture being shown at no extra cost.

The movies are coming to the rescue.

Big Real Estate Deal Closed Here; Poor Boy Lake Buy 1 Room House

Relative to classified ad, small one room house for sale, publisher acknowledges following:

2-24-48
"Gentlemen:
"Have looked at several dozen places in and near town in the past 8 months, and believe this one is most reasonably priced I've heard of.
"If you would accept as little as \$7,500.00 down, and give me as long as 4 months on the balance (not to exceed 15 per cent interest), then kindly give further details, location, etc.

Respectfully,
POOR BOY LAKE
P. S. Does the house have a floor?

Dear Lake:
"You drive a hard bargain, but after careful consideration, have decided to let you have place. Of course it will be your privilege to pay for abstract of title and drawing of necessary papers.

"House has floor, making it unusual purchase. Let me congratulate you for promptly snapping up this bargain as Dr. Gus Evans came through with a letter but was rather concerned over the appurtenances. Now, Gus, you know how they are built, and nobody ever saw one with bat-wing doors.

"Yours for greater progress and development right here.

P. S. Little Daily best advertising medium in world.

Big Question Raised Whether Air Field Here Big Enough

Cameron's Municipal Airport is too small to get consideration for improvements under the CAA recommendations, according to the Austin office.

The CAA has recommended 8 fields in central Texas, one of them Cameron but says the present field cannot be expanded to an extent to permit required instruction.

When the local field was purchased the Planning Board made oral representations to the Committee that a larger tract should be had.

The air field plans went ahead and the Planning Board made no recommendations in its final report.

W. W. HAIR DEAD

W. W. Hair, 81, widely known lawyer, died at his home in Abilene at 2 a. m. Tuesday. Mr. Hair was a former county attorney of Bell County and was well known by members of the Milam County Bar.

Floterial Candidate

FRANK M. HALEY

FRANK M. HALEY MAKES BID FOR LEGISLATURE

Frank M. Haley of Rockdale, widely known Central Texas business man, is a candidate for the nomination for Representative of the 65th Floterial District, subject to the Democratic Primary to be held on Saturday, July 24.

In making announcement of his candidacy Mr. Haley issued the following statement and platform:

"I wish to take this opportunity and means of announcing my candidacy for Representative of the 65th District of Texas (Milam, Burleson and Lee Counties.) I have been a resident of Lee and Milam Counties for the past fifteen years, having been engaged in the Produce business for a number of years in Giddings and later moving to Rockdale, now my home and where I am engaged in the Dry Goods business.

"My platform should be of interest to every individual in the 65th District because I will give each individual the same representation, and act only for the good of the major (turn to page twelve)

SEEK 400 MEMBERS FOR CHAPTER DURING MARCH

An important meeting of the Milam County Chapter of the Farm Bureau is scheduled for Wednesday night in the district court room in Cameron.

Mrs. James Elrod, Secretary of the chapter said that the aim of the meeting is to have farmers present from the following communities: San Gabriel, Tracy, Bushdale, Briary, Burlington, Clarkson, Branchville, Maysfield, Curry, Bushdale, Rockdale, Milano and Sharp. Directors from these communities are sought.

The Chapter plans to enlist 400 members during the month of March. S. W. McClaren of Cameron is President, Ed Senkel of Buckholts first vice president, E. B. Yager of Jones Prairie is second vice president.

Air Fields Schedule For This Area Is Announced

CAA CALLS FOR 8 NEW CENTRAL TEXAS FIELDS

AUSTIN, Feb. 25.—If Central Texas is to have the airport facilities necessary to normal growth of air traffic in the next few years, eight new airports must be built and the facilities of five other improved and expanded.

That is the recommendation of the Civil Aeronautics administration in a report of its 1948 airport plan which includes needed airport improvements for the next three years. Details of the recommendations and the reasons behind them were released today by F. J. Schnitzler, CAA district airport engineer for the eastern half of Texas.

In making the recommendations, the CAA does not promise financial assistance but urges that the improvements be made regardless of the availability of federal aid. In general, however, it is anticipated

ROAD SITUATION IS CRITICAL

RED SLAVES WILL FIGHT US SOON?

TRACK MEET IS SCHEDULED

HIGHWAYS ALMOST IMPASSABLE HERE

Road conditions are very critical in Milam county and prospects were that Highway 77 and 36 may become impassable if immediate repairs are not made.

Travelers on Highway 77 from Cameron to Rosebud say that the highway is in very bad state and through Falls county is in such a state of repair it may become a country road.

Highway 77 through Cameron off North Fannin and North Houston is little better than a country road. Recent freezes and rain has resulted in very great damage to the road way. The same can be said of Highway 36 and 190 from Milano to the Bell county line through Milam county.

Some repairs are contemplated on Highway 77 from Cameron north to the Falls county line.

The new farm to market road from Splawn to Yarrellton may soon need repairs. It was built last year but weather has taken a toll of this new road also.

Towns and communities have been isolated during the bad weather. Farm to market roads are the greatest and most vital needs of this county and business men, farmers and citizens generally are waking up at last to find they have neglected these demands too long.

Milam county must formulate a road plan, vote bonds, get federal and state aid and get state maintenance. There is no other way.

BODY COLORFUL PIONEER FOUND LATE WEDNESDAY

John Andrew Russell, 83, colorful pioneer, was found dead at his home near Buckholts around 1 p. m. Wednesday.

Known to thousands as Swamp John Russell because of his life long engagement as a hunter and trapper, he had lived in Milam county for many years and most of the time on a farm near Buckholts. His home was on Lapan Creek some three miles northwest of Buckholts. This stream was named for a tribe of Indians inhabiting that area in the early days.

Mr. Russell knew more about wild animal life than most of the naturalists who got credit in bigger terms. (turn to page twelve)

BULLITT PICTURES A GLOOMY OUTLOOK

WASHINGTON, March 2.—"An attack on our country by overwhelming masses of 'Stalin-driven slaves' was declared possible today by William C. Bullitt, former ambassador to Russia.

Bullitt was urging \$100,000,000 for "military supplies to China."

He told the house foreign affairs committee, which is considering Secretary of State Marshall's request of \$570,000,000 in non-military help to the Chiang Kai-Shek government:

"If our government should permit the communists to take over China, it would have failed to bar the way to attack on our country by overwhelming masses of Stalin-driven slaves.

"We cannot successfully oppose communist conquest of the world by opposing communism in Europe only."

The senate heard a warning that this country must put its own defenses "in first class condition" as well as strengthen western Europe against communism.

35 THIN CLADS OUT FOR YOE HI TRIALS

Athletic events in their order were being reeled off at Yoe High School

Plans are now being made for the annual Invitation Track and Field meet here on March 20 it was announced Wednesday by Coach Leo Jackson.

This year field and track events are to be confined to Class competition. Heretofore Cameron has been host to AA schools as well as A and B schools. Under the new rules the big schools will compete and Class A schools will compete and then there will be a division for the Class B.

The competition will follow the same pattern as football and basketball.

Coach Jackson reported that 35 thinly clads were out on Monday for the first of the trials. Howard Beale, prospective fullback this fall is having a try at the hurdles.

A well rounded program of athletics will see a district championship in baseball this year also.

Area Stock Show Here March 5-6 For Negroes

O. J. THOMAS SCHOOL WILL BE HOST HERE

The O. J. Thomas High School will be host for the annual Area Livestock and Poultry show, to be held at the Wilson-Ledbetter Park, March 5th and 6th. Thirty-three Voc. Agri. schools of Negro boys will compete in the show. We feel greatly indebted to the citizens and merchants of Cameron for their liberal contributions to the show.

We want to express special gratitude to the Chamber of Commerce, Wilson-Ledbetter Park Committee and Mr. W. T. Hanes, Supt. of School in Cameron for outstanding co-operation and providing facilities necessary for carrying out the show. If we have over looked any one who would like to donate to the show, kindly call the O. J. Thomas School at (491). We have not completed our quota of \$100.00 to help with the prize money and expenses.

D. S. POOLE,
Voc. Agri. Instructor.
C. L. SADBERRY, Jr. Prin.

CAMERON QUOTA SET AT \$2300 IN DRIVE

The 1948 Red Cross enlistment campaign and drive for funds was set in motion here Monday at a kick off breakfast arranged by W. W. Lowe at the Milam Coffee Shop.

Leaders in the drive to raise the quota were present. Cameron is to raise \$2300 and the quota for the county is \$6439.00. The city quota is divided into two funds, \$1900 for the business district and \$400 for the residence areas.

Mr. Lowe said that Friday and Saturday a table will be placed in several down town places where people in the residence area and outlying districts may conveniently give. Shirley McLean is chairman for the city drive and was expected to arrange details of the canvas during the day.

The National Red Cross drive was launched Sunday night by President Truman in a short address to the American people.

Committee will canvas the business section and leaders think the quota can be raised quickly if the drive is stepped up.

Mr. and Mrs. Barton Brown of Valesco were guests in the home of Mr. and Mrs. Johnnie Springer of Cameron.

FINED HERE MONDAY

Rosaline A. Doss was fined \$20 and costs for making a false statement in writing Monday. She entered a plea that she was guilty.

Mrs. Robert Michalka is recovering nicely from an operation at Newton Memorial Hospital.

KANSAS BOY SENT UP FOR BURGLARY

Jay H. Yeadon, 21 year old war veteran, was sentenced to two years in the Texas prison Tuesday in District Court for the burglary here last fall of the Buddy Fuller station.

County Attorney Morrison said that the case was disposed of on a confession of guilt by the defendant who said he burglarized the station on December 23, 1947.

At the time the offense was committed Yeadon was working for a carnival company. While his war record was not available it was believed due to his age he did not go overseas.

The ex-soldier has a record of offenses in Kansas, one as juvenile delinquent, one for larceny and one for carrying a pistol, although there was no record of any prosecution in the weapon case.

Buffalo Bank Robbed Of \$2000; Stick Up Man Makes Getaway

The Citizens State Bank of Buffalo in Leon county, was robbed of \$2000 late Friday.

The robber, described as a stocky man about 25, drove his car into a dead end road 10 miles from the town and escaped into the woods.

The bandit wore no mask. President Burroughs of the bank said the bandit held them up with a German luger automatic.

Chas. Jacobs of Minerva, son of Mr. and Mrs. Earnest Jacob, is a patient in the Newton Memorial Hospital.

PARTY BESET BY SOUTH AS WELL AS BY NORTH

WASHINGTON, Feb. 18.—Stung by Bronx cheers and rebel yells, Democratic National Chairman J. Howard McGrath tonight issued a virtual appeal for abandonment of the third party drive headed by Henry A. Wallace.

On the eve of the Jefferson-Jackson day dinner here, meanwhile, a new threat to party harmony arose.

A group of South Carolina Democrats cancelled plans to attend the fund raising festivities because of a "no segregation" policy. Gov. and Mrs. Strom Thurmond and Senator and Mrs. Olin D. Johnston headed the list of scheduled absentees.

McGrath made his appeal in a radio address after warning Democratic adherents they must intensify their efforts to get out the Truman vote for the fall showdown. This warning resulted from the victory of a Wallace man in a Bronx, N. Y., congressional act.

This is what the national Democratic chairman said about Wallace: "I believe that Henry Wallace is

sincere when he says he wants peace and prosperity. I believe that some of his followers are sincere in their belief that support of Henry Wallace is the way to realize their ideals in government.

"But the fact that the loudest applause for Henry Wallace comes from communists, communist fellow travelers and reactionary Republicans causes me to believe that the bulk of Henry Wallace's support is coming from those whose basic allegiance is not to the American way of life."

Pfc. Walter Lucas Enlists in Air Corps

Pfc. Walter H. Lucas, Jr., 25, Cameron, son of Mr. W. H. Lucas, enlisted in the Air Force for three years at Camp Hood. He plans to make a career of the Air Force and expressed a desire to be assigned with a radar unit.

Lucas has five years previous military service. He spent eight months overseas during World War II.

Mr. and Mrs. B. F. Whites and son, Charles of Austin spent the past week end with her mother, Mrs. Annie Reese in Cameron.

FENCE IN RUSSIA CRY HEARD IN WASHINGTON

WASHINGTON, Feb. 29 — A House Foreign Affairs Subcommittee today called on the United States to take the lead in fencing off Communist Russia from the non-Communist world or face "violent" global revolution.

The committee issued a long report, "The Strategy and Tactics of World Communism," as Senate President Arthur H. Vandenberg, Republican of Michigan, prepared to open Congressional debate on the Marshall European recovery plan.

It added up to one of the most stinging denunciations of Red philosophy and objectives ever handed out by an arm of the Federal Government, and drew these "simple conclusions of Soviet policy:—"

"(1) The Communists have one goal—world revolution. (2) They assume that the revolution will be violent. (3) They are incapable of accepting the idea that peace can endure from now on, and they expect one more catastrophic war."

The report did not stop with that indictment.

It warned Americans they are playing with "loaded dice" when they join "ultra-Democratic groups" used by Communists to advance their ends. Communists, it added, have infiltrated labor groups, organizations boosting civil rights and clean-politics movements and "liberal groups of all kinds."

The committee is headed by Representative Frances P. Bolton, Republican of Ohio, and its report came on the 100th anniversary of "the Communist manifesto," the touchstone of Soviet policy.

METHODIST CHURCH

Two shadow plays of simple but appealing drama will be presented at the Methodist Church Sunday evening, 5:30 p. m. Both plays, "China Doctor" and "African Mother" will reveal intimate glimpses of two people who spent their lives in China and Africa. The musical background will add much to the beauty of the dramatization, which is destined to strike a responsive note in the hearts of all those present.

Mr. and Mrs. Douglas Jones of Houston spent last week end in the home of Mr. and Mrs. W. C. Allen.

Missionary Home From China Guest Christian Society

Miss Cammie Gray was the guest of honor on Tuesday evening when the ladies of the missionary society served a supper in the parlor of the First Christian church. Sixty five attended. Miss Gray is home on furlough from China and is a missionary sent out from the United Christian Missionary Society of St. Louis.

R. L. Lemons gave the devotional. Joe Wick, local pastor introduced the speaker, and Miss Gray gave the work of the missions in China in a most interesting manner, touching lightly on the gruesome happenings during the war. She was among those who evacuated when Nanking was bombed. She has adopted a Chinese girl and is sending her to college in America.

Bro. Wick thanked the ladies who made the supper a success and Miss Gray thanks the church for the gift which they presented to her. The meeting was closed by a benediction by Bro. Wick.

Out of town guests were Mr. and Mrs. Conn Isaacs of Rockdale and Bro. and Mrs. H. E. Crone of Temple.

Mrs. Bert Nicholson is ill and is in the Newton Memorial Hospital for treatment. Friends will be glad to know she is doing well.

"AMERICAN MAID FLOUR

*makes my pies, cakes
and biscuits light as a
feather, and they'd
stay fresh as a daisy
if they didn't taste so good
that my family eats them up
quick as a wink!"*

See Mrs. H. A. TSCHUMY
3815 University Blvd., Houston

Mr. and Mrs. H. W. Boedeker and two little daughters, Jo Ann and Carolyn of Houston visited relatives and friends the past week end. Mr.

Mrs. O. E. O'Donnell from Houston is spending a few days in the home of her friend, Myrtle Hinton of Cameron.

Mr. and Mrs. Charlie Terry and Mrs. R. H. Clark and daughter, Gladys, of Cameron attended a birthday party in honor of Frank Griffin of Hanover.

Warner Bros.' art director John Hughes, assigned to "The Treasure of the Sierra Madre," traveled 8,000 miles in Mexico to find just the right locales, setting an atmosphere for the B. Traven story.

E. H. Noack of Rockdale transacted business at the court house recently.

Mrs. Dell Sample of Cameron is spending a few days with her daughter in Ft. Worth.

OUR BIG JOB TODAY!

Our big job today is keeping electric power flowing to you... our customers. It's not an easy job, because we are working under the handicap of shortages in generating facilities brought about by conditions during wartime.

Growth and accelerated industrial activity during the war and postwar years about used up the reserve of electric power that Texas Power & Light Company had built up... and used it up during a period when further expansion of electric generating facilities was practically impossible.

During the war, all the big turbo-generators manufactured were necessarily diverted to the all-out war program... they were needed for warships and for shipment to the war zone. Following the war, the few manufacturers who make these big generators were plagued with shortages and delays... and, at the same time, were deluged with orders from power companies throughout the nation for urgently needed generating equipment. Among those orders is one for a turbo-generator of 84,000 horsepower capacity for Texas Power & Light Company... but we must wait until late 1949 for delivery. But, also, we have placed orders for smaller generating units which can be delivered sooner... 8,000 horsepower to be installed for use this year (1948) and 16,000 horsepower for use next year (1949).

The new generators are coming... five of them, totaling 108,600 horsepower... to supplement our present 294,000 horsepower of electric power resources. But between now and the time all this new capacity can be delivered and installed there may be occasions when it will be a tight squeeze to make existing power supply go around.

So, as we progress with the installation of this new generating capacity, we want to assure you that we are also working hard to fulfill our hopes that electric power may continue to flow to you in whatever quantities you may need.

We are in the midst of the most extensive expansion program in our history, at the completion of which there will again be an abundance of reserve electric power for future growth and development.

TEXAS POWER & LIGHT COMPANY

JOHN W. CARPENTER, President and General Manager

MARCH ENTRY BRINGS STORMS AND RAIN

March roared in with storm and rain and weather will be colder. In the Cameron area it will be colder to-night but no frost conditions were in the picture. The temperature was 38 degrees in the Dallas area at 6 a. m.

The Panhandle sent a dust storm across the state and at Fort Worth visibility was reduced to a few hundred yards.

Central Texas had rain and hail and some sections had storms. Flood conditions were threatened on the Trinity River and other streams.

Cloudy weather was in prospect for Wednesday. The weather change resulted from two cold fronts in quick succession but the weather will be mild.

NO FLOOD DAMAGE IS TO BE SUSTAINED HERE

Little River was rising, as much as 2 feet in one hour, but overflow was not likely.

L. W. Smith, local weather observer for the government, said that 41 inches of rain fell in Cameron Thursday night. The rain was pretty general.

Cyclones occurred in two widely separate sections of the state. At Coleman damage to the amount of \$100,000 was reported. At Itasca high winds caused some damage.

Flash floods on the watershed of Little River caused a two foot rise between 8 and 9 a. m. Friday. The Leon River was out of banks on its upper reaches.

There was no danger of flood damage in this area.

Claude M. Kirkland now a chief boatsman mate has learned that the slogan "Join the navy and see the world," is no joke. He is a crew member of the aircraft carrier USS Valley Forge and has visited Sydney, Australia. He is the son of Mr. and Mrs. A. C. Kirkland of Milano.

Mrs. Rogers Ritchie and two children left recently to make their home at Brownwood where Mr. Ritchie is employed as foreman for the AT & SF Railroad Co. there.

How I Cut My Food Bills \$15 a Month with Quaker Oats

Delicious Quaker Oats still costs less than 1¢ a serving. Milk and sugar, 3¢ to 4¢. So I give my family of four a Quaker Oats breakfast for only 20¢. Other breakfasts cost up to 80¢ for four people. So I save 60¢ a day with Quaker Oats. This cuts my food bills \$15 a month. Food experts say whole-grain oatmeal gives us more of meat's main element, Protein, per penny than any common food. Get a big package of Quaker Oats today and cut your food bills many dollars a month.

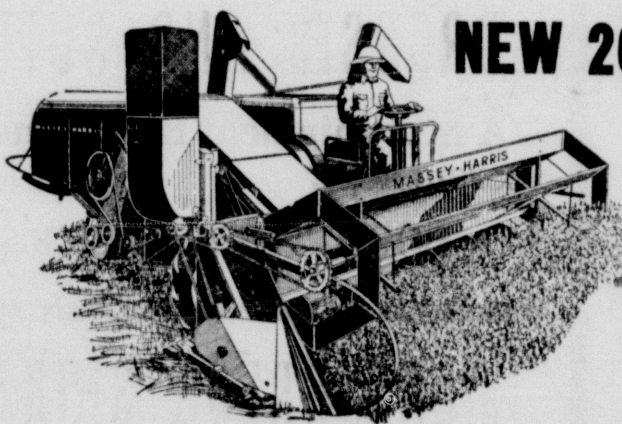

Still Costs Less than 1¢ a Serving!

Quaker Oats

The World's Best-Tasting Cereal

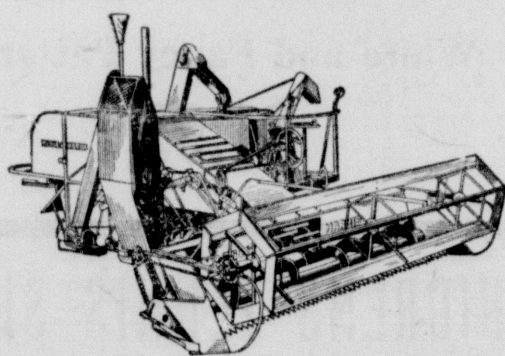

When You Think of COMBINES Think of MASSEY-HARRIS

NEW 26 Self-Propelled

Patterned after the famous Harvest Brigade 21A the new 26 makes your harvest more profitable. It brings greater freedom and new independence for you. Powered by a 217 cubic inch engine, the 26 takes you thru soggy or rough fields with ease. Balanced separation, straight-thru design and rasp-bar cylinder mean you get cleaner grain and more of it. Handy controls and comfortable operator's platform add up to easier, less fatiguing combining. You work faster... more profitably.

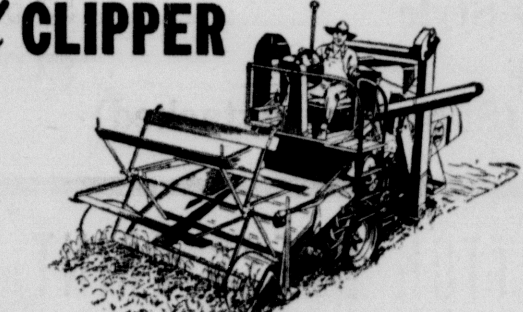

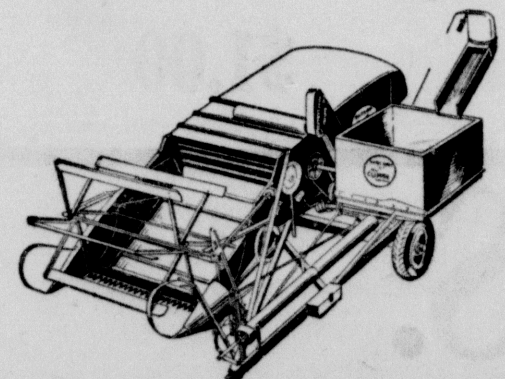

BRIGADE PROVED 21A

The minute you start cutting your grain with a Massey-Harris 21A it begins saving money for you. Four big savings... grain, fuel, time and labor—as demonstrated in the Harvest Brigades of '44 and '45. You get all crop on the opening cut... there's fuel to buy for just one engine... your work is easier, harvesting faster. And just you and possibly a helper handle your harvest. Think of those savings in terms of your farm... the added profit they mean the shorter, easier season they bring.

7-FT. Self-Propelled CLIPPER

If you've always thought of self-propelled combining as strictly a big harvest operation, here's your chance to get every advantage of self-propelled. It's the Massey-Harris Self-Propelled Clipper. You'll find it fits right into your plans on a medium size farm. A full 7-foot cut, full width straight-thru separation and 5-foot rasp-bar cylinder mean a fast, clean job of combining. Then add the advantage of self-propelled—the savings in man-power, grain, fuel, time and the result is bigger profits, more production at lower cost.

6-ft. P.T.O. Clipper

Here's the scoop-type combine that actually set the pattern in small grain harvesting machines. Yet, if you've watched the Clipper work, you know it's still unequalled in its ability to harvest down tangled grain... separate cleaner... operate faster. That ability includes money-saving performance in over 110 different crops... the result of Clipper 3-point construction: full 6-foot cut, full width-straight-thru separation and 5-foot rasp bar cylinder. Auxiliary motor available on special order.

Detention by Soviets Termed 'Like Movie'

Trio on Vacation Cruise Taken Into Custody in Finland.

STOCKHOLM.—"It seemed like a movie," said Anne Blumenfeld, 20, of San Rafael Calif., in describing her experiences when she and two companions were held incommunicado almost four weeks by the Russians in their leased Porkkala military zone in Finland.

Her companions, Robert Storch of Newark, N. J., and Gordon Thomas McGill Lawson of Glasgow, Scotland, said she did not lose courage when the vacation cruise to Helsinki that was planned for a month lasted nine weeks because of their detention.

"Not once did she fall down," said Storch and Lawson. "She served us three meals a day including Russian 'Korsha,' or mush if you will, in a new way every day."

The trio set out about July 15 from Stockholm, where Anne and Bob were exchange students and Lawson an artist, aboard Lawson's 30-foot yacht Smeorach. By accident they landed in the Russian military zone.

Russian soldiers took them into custody. Storch said they were stripped of belongings and everything was taken away including their belts.

"It was quite embarrassing to have to hold up your pants with your hands. They feared we were going to hang ourselves."

"I was petrified they were going to strip me, too," said Anne. "But they left me with slacks and sweater."

They were questioned thoroughly by the Russians. "Some sessions were rather long," Storch said, "but they were lenient and courteous. They put cigarettes on the table and told us to help ourselves."

He added that afterwards the Russians "let us live aboard the Smeorach where they brought us all kinds of food, including apples and cucumbers. Anne even made jam."

Alabama Court Rules

Hitler Same as Skunk

MONTGOMERY, ALA. — It's illegal in Alabama now to call anyone Adolf Hitler or a skunk—which, as far as the state court of appeals is concerned, are one and the same thing.

The court upheld a \$900 judgment by a circuit court judge who made the award to a plaintiff allegedly compared to the former German dictator.

The defendant, it was charged, had posted a sign over nine bales of cotton, likening the plaintiff to Hitler.

Since it is libelous to compare a person to "an odious, foul or despised animal—for example, a skunk"—the court ruled that the same goes for calling anyone a Hitler.

Toy Train Travels Over

200,000 Miles in 24 Years

OMAHA, NEB. — A freight train that has traveled more than 200,000 miles in the last 24 years without running on a single length of rail—that never carried a pound of cargo or consumed a lump of coal—is the prized possession of Union Pacific railroad.

The rolling paradox is a miniature freight train, built in 1923 for a Safety Day parade.

Originally constructed on a "temporary" basis for the one parade only, the train subsequently was requested by first one community then another for various parades, rodeos and celebrations.

By 1929 the demand began to pour in to the point where it became necessary to maintain detailed booking records. Today the books show a total of 162,966 miles in addition to numerous unlogged trips.

The situation was not eased during the subsequent years when the railroad constructed a miniature passenger train and a miniature streamliner.

Both of the latter, after a number of heavy years that saw them trundling from the midlands to the Pacific coast and back again, were scrapped. But the hardy little freight train still is wowing them, whether it be a sophisticated city or a sleepy hamlet.

Since the train is as tall as a man, the word "miniature" is perhaps too weak an adjective to describe it. The locomotive superstructure is mounted on a tractor, the cars on tractor trailers. The engine pulls a tender, stock car, box car, coal car, tank car and caboose.

New-Baby Boom at 37-Year

High, Institute Reports

WASHINGTON. — Native American white women in the 25-year-old age group are having more babies these days than at any time since 1910, according to a report at the International Statistical Institute.

Pascal K. Whelpton of Miami university, Oxford, Ohio, told the 55-nation gathering that women born in 1921 had 958 births per 1,000 up to last year. Women of the 1900-1904 period, however, had 1,068 babies per 1,000 by the time they were 25.

Whelpton said he concluded that the current wave of fertility represents "primarily the making up of births postponed during the depression."

Churchmen Plan To Enlist Youth In Sunday Schools

With the slogan of "Every school child in Church school" a group of leading laymen met today to make plans for an effort to enlist boys and girls to attend the Sunday School of their choice.

The movement is a city wide effort with the cooperation of the various churches and is non denominational in its scope.

Superintendents of the various churches are taking the initiative in this campaign and will promote the publicity and lay plans for making the community "Church Conscious". Men meeting Monday were Drayton McLane, Supt. of the First Presbyterian Church; A. W. McCullin, Supt. First Methodist Church; Bill Harsha, Supt. First Christian Church; and Grady Cooper, Supt. First Baptist Church.

One of the features of the city-wide campaign is the placing of attractive posters in central locations to appeal to the children to attend the Sunday School of their choice. The laymen also propose to take a religious census of the school group.

Bessie Dunham spent the week end with her sister and husband, Mr. and Mrs. W. W. Harman in San Antonio.

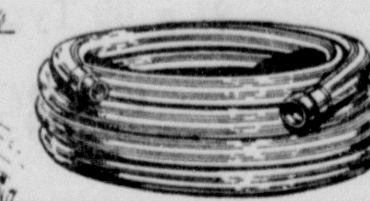

Troy Cooper of Maysfield is a patient at Newton Memorial Hospital.

CHRISTIAN SCIENCE SERVICES
 "Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, March 7.
 The Golden Text is: "Mark the perfect man, and behold the upright: for the end of that man is peace" (Psalms 37:37).
 Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Spirit itself beareth witness with our spirit, that we are the children of God" (Romans 8:16).
 The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The Science of being reveals man as perfect, even as the Father is perfect, because the Soul, or Mind, of the spiritual man is God, the divine Principles of all being, and because this real man is governed by Soul instead of sense, by the law of Spirit, not by the so-called laws of matter" (page 302).

MRS. ZOE TODD DIED AFTER LONG ILLNESS

Mrs. Zoe Todd passed away early Thursday morning, Feb. 5, at the home of her son, J. A. Wilson in San Antonio at the age of 79.
 The body was brought back for interment with Phillips and Luckey Rockdale, in charge and rested there until noon Friday, after which, it was brought to Gause.
 Funeral services were conducted at 2 p. m. by her pastor, Rev. Roger Whiddon at the Methodist church and burial was made in the Gause cemetery.
 Mrs. Todd was born in Alabama, Nov. 1, 1868. She came to East Texas at the age of five and has been a resident of Gause since 1895. She was loved and respected by all who knew her. Her presence and sweet prayers will be missed by her many friends and relatives in the Methodist church which she had faithfully served for over half a century.
 She is survived by nine children, J. A. Wilson, San Antonio; T. C. Wilson, Gause; Mrs. Eunice Marr, Palestine; Mrs. Lena Crews, Tyler; Mrs. Ada Blackmon, Odessa; Mrs. Lucille Ivy, San Marcos; Mrs. Nell Smith, Seguin; Sgt. D. R. Todd, Randolph Field; Ralph Todd, San Antonio.
 She was loved by 32 grandchildren and 17 great grandchildren.

Roy Epperson of Austin was here Friday on business. He is with the Veterans Administration in Austin. He served in the Army Air Corps in the first world war and was responsible for the early flight training of General James Dolittle. Mr. Epperson is offering for sale the Dr. A. S. Epperson home here.

A. J. D. LAFERRE DIED IN ROSEBUD WEDNESDAY

A. J. D. LaFerre, pioneer farmer and citizen of this community for many years, died at the home of his daughter, Mrs. Dora Parcus, at 8 p. m., Wednesday, February 18.
 Funeral services was held from the home of Mrs. Parcus at 1 p. m. Friday, with Rev. Sagler, pastor of the Lutheran church of Sharpe officiating. Interment will follow at Sharpe, Texas, with Green's of Rosebud in charge.
 Mr. LaFerre was born in Fayette county, Texas, on September 12, 1862. He married Miss Mary Giese on November 26, 1885. Five children were born, and two of these children survive him. They are Mrs. Dora Parcus of Rosebud and Mrs. E. F. Fick of Sharpe, Texas. Seven grandchildren and ten great grandchildren also survive.
 Mr. LaFerre was well known in this area as a prosperous farmer. His philosophy was always to not owe any man anything. He was proud of his French ancestry, and often, when he would spell out his name to a person, would end with "A good old French name."
 Mrs. LaFerre passed away in 1941.

Francis Cox Going To Gonzales March 5 As Festival Judge
 Francis Cox, director of the Yoa High School band, will be in Gonzales March 5 to serve as Critic-Judge in the annual music festival.
 Mr. Cox will sit as judge in the concert playing events, giving criticisms and suggestions to all playing bands entered in the Gonzales festival.
 The festival is divided into three sections, band concert playing, band marching and choral singing. It was expected that some 20 bands will be entered in the Festival.
 Danny Ray Malone, little son of Mr. and Mrs. George E. Malone, who has been a patient in St. Edwards Hospital is much improved and has been removed to his home.

Oddfellow-Rebekah Delegates Going To Houston for Meet
 Cameron Rebekah Lodge met Tuesday, February 18. One new member was initiated into the Lodge.
 A three day meeting of the Grand Lodge of Texas IOOF and Rebekah will be held on March 13, 14 and 15 in Houston. Mrs. Willie McLean and Mrs. Johnnie Lee Richards, delegates will represent the Cameron Lodge. Others who plan to attend the meeting are: Mr. and Mrs. Homer Allen, Mr. and Mrs. Joe Luce and others.
 C. H. Hobbs of Rockdale made a business trip to Cameron Thursday.

Rainy Weather is Duck Soup to the UNIVERSAL Jeep

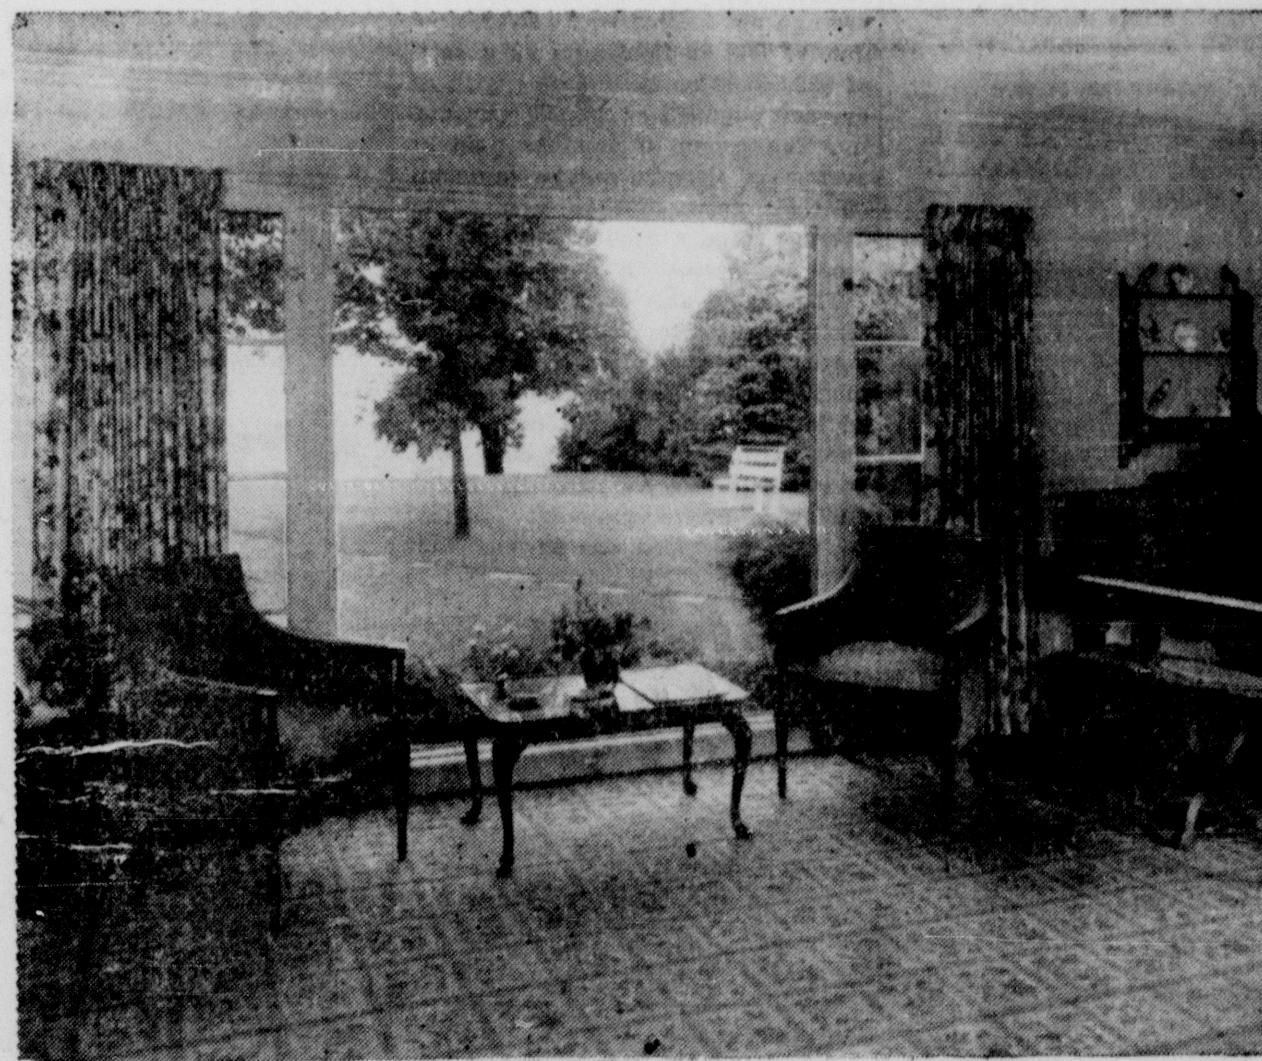

"LET IT RAIN IF IT MUST!" That is what you will say if a Universal "Jeep" is at work on your farm. Just put on the top and get on the job. With the steady traction of its 4-wheel drive the "Jeep" just keeps on pulling, in spite of soft ground or slippery footing. You don't have to worry about 'impassable' roads. Four-wheel drive takes the "Jeep" through, helps you with spring towing and hauling jobs that must be done.

GET A "JEEP" AND GET GOING

There are plenty of jobs the "Jeep" can do on your farm right now. When field tasks are completed or road work is done, your "Jeep" need not stand idle. Its power take-off delivers up to 30 h.p., operates many kinds of implements and farm machinery, helps make the "Jeep" America's most versatile farm tool.

Cameron Sheet Metal Works Is Completely Equipped Industry

Among the newly started industries in Cameron this year is the Cameron Sheet Metal Works located at 507 West 8th street in Santa Fe Town.

This new business is owned by Roy S. Lamey assisted by F. J. Lima. Mr. Lamey has been engaged in this business for years, although still a very young man.

This sheet metal works is one of the best equipped such industries in central Texas. "We are equipped to do commercial work, home work, in city or on the farms and also we are equipped to do air conditioning.

"Materials are now available to us and our trade does not have to wait on tin or any of the metals or materials we use in our business. We also have the experience to do all kinds of work and the prices we are now charging are encouraging," said Mr. Lamey.

These young men have brought a nice business to Cameron and are enjoying a good volume.

Printing is a home industry.

Banquet Speaker

CARR P. COLLINS

Mr. Collins is president of the Fidelity Union Life Insurance Company and will be guest speaker at the annual Chamber of Commerce banquet here on Tuesday night, March 9.

14 FARM FAMILIES CELEBRATE SUCCESS

On Friday, February 20, fourteen farm families who have purchased farms with the assistance of the Farmers Home Administration, gathered in the Educational Building of the First Baptist Church, Cameron, to discuss their past years business and study better farming methods for 1948.

The program consisted of a Summary of 1947 Records, discussion of 1948 AAA program by Alva E. Sanders, two films on better farming practices, discussion on Food Production by Miss Ezelle Johnson, informal discussion on cotton production and a discussion of farm building maintenance.

Roy Wright, County FHA Supervisor explained to the group that 32 loans to purchase farms had been made and 6 had paid for their farms in full. He further pointed out that the 23 farmers for which records were available, had a total income of \$107,636.00 or an average of \$4680.00 per family, and that the average net income was \$2077.00 per family. The 26 families paid a total of \$22,545.00 on their farms with an average payment of \$902.00 per family. The group of families paid an average of almost 3 regular payments on their farms during 1947. The average family produced \$236.00 of food per person on their farms.

The group also studied their cotton production for 1946 and 1947 and noted that the average production in 1946 was 103 pounds per acre while in 1947 it was 201 pounds per acre with several producing well over a half bale per acre. Mr. Ralph Caffey of Sharp community pointed out that good seed was an important

factor to producing more cotton per acre. Mr. Chesley Gilbert of Cameron, Will Stoenner of Burlington, and Smith Barrett of Yarrleton said that early seedbed preparation was very important; Mr. Walter Senkel of Belmena Community recommended poisoning of cotton insects as a good practice. Mr. Robert Baring of Ben Arnold and Hugo Miller of Burlington said they received good results from following cotton after a winter legume; Mr. Walter Hagemeyer of Rogers and Charlie Jones of Val Verde recommended a 3 year rotation of cotton, corn, and small grains with winter cover crops for better cotton production. All families agreed that they wanted to raise the average yield from 201 pounds to half bale per acre for 1948 and believe that the factors discussed would help reach that goal.

Mr. Willie Moraw and E. E. Odom suggested that the group go to Blackland Experiment Station at Temple in the summer so that the

SOUTHERN LEADERS IN SIZZLE OVER DOSAGE

WASHINGTON, Feb. 25—A Federal anti-lynching law was approved by a House Judiciary sub-committee today in the face of a growing Southern Democrat revolt against this and other civil rights proposals of President Truman.

Seventy-four House Democrats, it was disclosed, now have pledged themselves to a finish fight against Mr. Truman's anti-lynching, anti-"Jim Crow" and other recommendations involving States' rights and race relations in the South.

Now striving openly to prevent Mr. Truman's nomination for a full term in the White House; "Rebel" leaders focused their attention on Richmond, one-time capital of the Confederacy, where Governor Tuck plans a special message to the Virginia General Assembly tomorrow.

They considered it certain Tuck would call for State action against the Truman program. And these were indications he would propose that the name of the Democratic Presidential candidate be left off the Virginia ballot next November.

This would mean that Virginia's 11 electoral votes would not have to be cast for Mr. Truman if he is nominated by the Democratic National Convention next July.

Mr. and Mrs. Edwin Reynolds of Cameron spent Sunday with Mr. and Mrs. Otto Hensel of Burlington.

Mr. and Mrs. Vernon Roberts of Temple were in Cameron visiting relatives Sunday.

VFW Auxiliary in Meeting February 20

Auxiliary Veterans of Foreign Wars met on Thursday night, February 20, at the Knights of Pythias Hall.

Mrs. David Shapiro, president presided at the meeting. A donation was made to the American Heart Association. Two new members, Mrs. Gene Goldfarb and Mrs. R. W. Bennett were welcomed.

Refreshments of coffee and cake were served.

Active Family Dwelling

This home has been designed for an active family with varied interests. A large activities room, the den and the living-dining area provide the solution to the problem. The den is very useful as a guest room with a wash room so handy off the entrance hall. Note, too how easily a third bedroom could be added. The exterior is simply designed with a low-pitched roof and wide overhanging eaves nestling the structure down to the ground. It comprises 1400 square feet, exclusive of garage.

Dwelling shown above is a photograph of a scale model of a "cut-out" home which can be obtained from House Beautiful Magazine for \$2.00. The model is easily assembled, and gives the prospective home builder an actual model of the home he plans to build, complete with "cut-out" furniture.

By studying the scale model, the prospective builder is enabled to determine what changes he deems necessary before the house is actually built, thereby saving needless expense.

Blueprints and specifications of the dwelling shown above can be obtained for \$5 per set by writing House Beautiful Magazine, 572 Madison Avenue, New York City 22, New York.

Active Family Dwelling

This home has been designed for an active family with varied interests. A large activities room, the den and the living-dining area provide the solution to the problem. The den is very useful as a guest room with a wash room so handy off the entrance hall. Note, too how easily a third bedroom could be added. The exterior is simply designed with a low-pitched roof and wide overhanging eaves nestling the structure down to the ground. It comprises 1400 square feet, exclusive of garage.
Dwelling shown above is a photograph of a scale model of a "cut-out" home which can be obtained from House Beautiful Magazine for \$2.00. The model is easily assembled, and gives the prospective home builder an actual model of the home he plans to build, complete with "cut-out" furniture.
By studying the scale model, the prospective builder is enabled to determine what changes he deems necessary before the house is actually built, thereby saving needless expense.
Blueprints and specifications of the dwelling shown above can be obtained for \$5 per set by writing House Beautiful Magazine, 572 Madison Avenue, New York City 22, New York.

PLAY IN SAN ANTONIO ON FEBRUARY 28TH

(From the Daily)

The Yoemen Basketball Team under Coach Dick Young, will take part in the Regional Tournament in San Antonio on Saturday, February 28.

With 11 straight victories the team, led by Coach Young won their District and are now going to the regional. In this play four teams will take part. They are South San Antonio High, Brenham, San Marcos and Cameron. The tournament will be held in the gymnasium of the Thomas Jefferson High School in San Antonio.

If the Yoemen should survive Regional Tournament they will go to the State Finals.

The first game in San Antonio will start at 1:30 p. m. and the night session will begin at 7:30 p. m.

Cameron will play Brenham at 2:30 p. m. while San Marcos and South San Antonio begin at 1 p. m. The winners of these games will play at 8:30 p. m. for the Regional Championship.

The Yoemen not only went to the Regional in football but are now in the Regional in Basketball.

The losers in the Regional in San Antonio will play at 7 p. m. for the consolation title. The state meet will be held in Austin at a date to be set.

Equipment Arrives For GI Schools in Milam County

Chas M. Hicks, co-ordinator of the white Veterans training schools in Milam county, has received a consignment of equipment for the schools, he announced to-day.

Included in the equipment are 16 large office desks, several small desks, 152 chairs, 2 large boxes of wrenches, 7 flat tables, several boxes of sprayers.

This equipment was brought to Cameron from the war surplus depot at Brownwood.

The publisher is glad to have word from Mrs. J. M. F. Gill of Abilene who has been a reader for years. She formerly lived in Cameron and is among the many out of county subscribers sending in their renewals. Quite a number of former residents of Milam county live in Abilene.

STATE BONUS TO BE HOT POLITICAL ISSUE

Candidates for the Legislature here were being pressed for statements on how they stand on the proposed State Bonus, it was disclosed by two of the men now seeking the office.

It was expected that the State Bonus now being sought and over which a poll is being taken among veterans, will be a hot political issue in the coming campaign.

Governor Buford Jester has stirred up a bit of resentment among veterans by his statement that such a bonus is "Un-Texan."

Just how the state can pal a bonus is not at this time clear but such a proposal was introduced in the last Legislature. It is certain to be introduced again.

In the meantime candidates for the Legislature will have to face this issue. It will be hard to turn down veterans and it was believed certain that the issue will have to be settled and whether such a bonus would seem impossible now does not alter the prospect that it will finally have to be paid.

Mrs. R. L. Batte, Sr. Guest Speaker Here At Christian Society

Mrs. R. L. Batte was guest speaker at the Woman's society of Christian service at Methodist church Monday.

Mrs. Lacy Wills gave the devotional.

Mrs. Batte, district officer, recently attended the jurisdiction conference of the woman's society of Christian service at Houston February 16 through the 19. She also attended the Texas conference of Christian service. Mrs. Batte gave a very interesting report on these meetings.

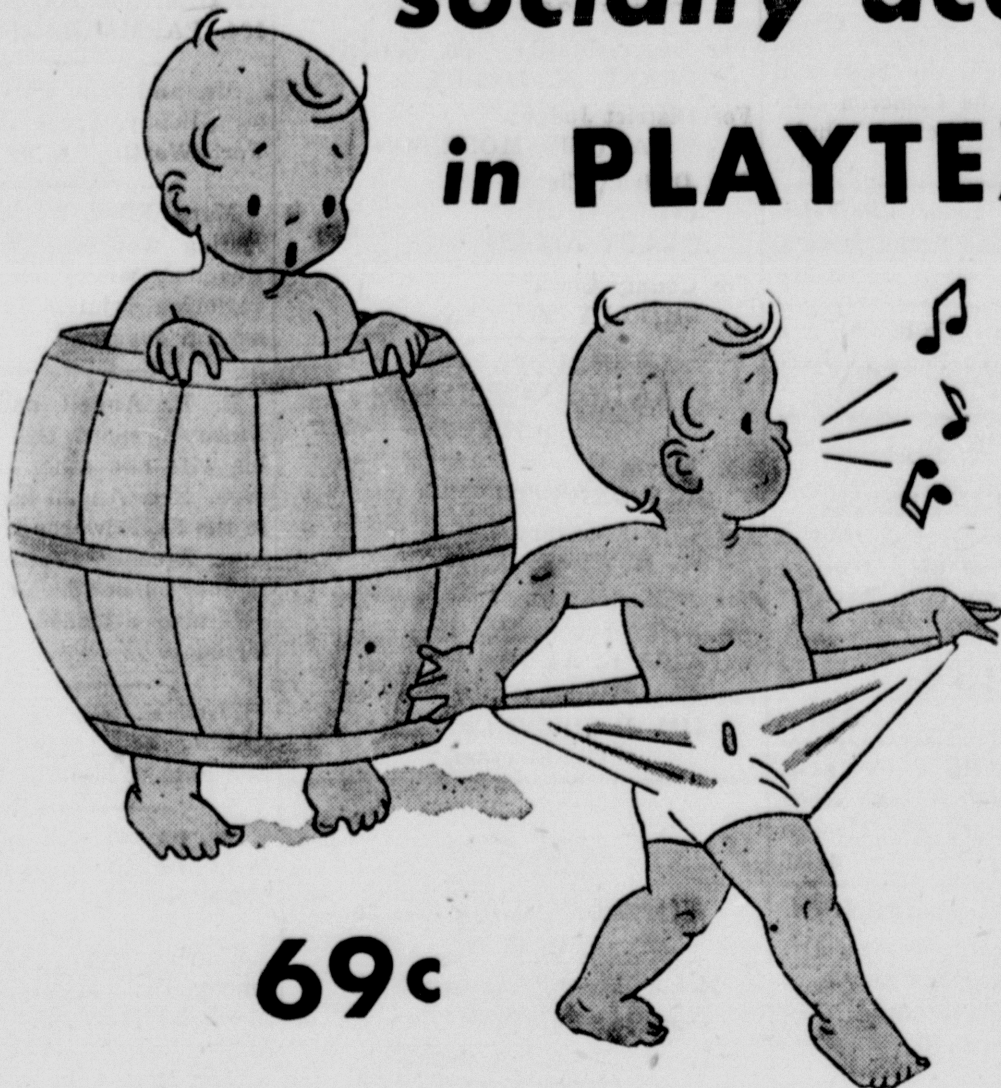

Dr. M. L. Fuller of Brownwood made a short visit with friends in Cameron on returning from Houston where he attended a meeting. Dr. Fuller was formerly with Milam Health unit here.

and Mrs. Boedeker are former residents of Cameron, but have resided in Houston for the past five years where Mr. Boedeker is associated with General Mills.

Keep Your Baby

"socially acceptable"

Easy on the eyes — and ears

Standing still, it has the eager look of a pointer scenting game, so swift and flowing are its lines.

Sweeping by, it stands out unfailingly from the highway crowd, unmistakably a Buick and unquestionably the year's trimmest fashion plate.

But have you traveled in one of these tidy new beauties?

Have you seen for yourself how smooth and silent is its flow of power, how hushed and quiet is its ride?

This comes from many things.

From Fireball power now Hi-Poised for throbless smoothness. From a Vibra-Shielded ride that is your ever-present protection against road-noise, body-drum and vibration build-up.

And it comes, in addition, from a brand-new development we call Sound-Sorber top lining.

It's a thick pad of feathery insulation much like that you use in your own home, and it goes into every closed model in our 1948 SUPER and ROADMASTER series.

This new lining cloaks your Buick in new and delightful silence akin to that of your own living room —

silence that encourages normal-tone conversation, makes soft radio music clear and enjoyable throughout the whole car.

So you ride in quiet as well as beauty when you travel in this style star.

You find it a great-hearted lovely that is soft of voice and gentle of manner — a delight to the traveling ear, the guiding hand and the passing eye.

Don't just see it at your Buick dealer's—look into it with greatest care. The deeper you look the surer you'll be to see the wisdom of getting a firm order in now!

You shall have music—wherever you ride

Front seat or back, you listen to your radio at soft and undistorted volume in this new Buick. You talk without shouting, know freedom from rumble and din. Always cars of quiet comfort, the Buick SUPER and ROADMASTER step out still further with Sound-Sorber top lining—a Buick exclusive.

NEW PONTIAC CAR IS ON EXHIBITION HERE

The big event along auto row this week is the new 1948 Pontiac being shown by the McLain Pontiac Company.

Mr. McLain has obtained the building formerly occupied by the Burkes-Howard Company and has a greater space for the show rooms and for a genuine repair and service department with the Pontiac agency.

Mr. McLain said he was making deliveries of the new Pontiac cars at the rate of about 2 per month and hopes to step up that ratio as soon as more cars are available.

The new Pontiac is very popular. The new car is by far the most beautiful Pontiac ever built and one of the big features is the GM-Hydra-Matic drive which is optional at a small additional cost.

The new Pontiac is striking both in beauty and new engineering triumphs. It is truly a 1948 car.

Mr. McLain invites the public to his new place to see the new Pontiac.

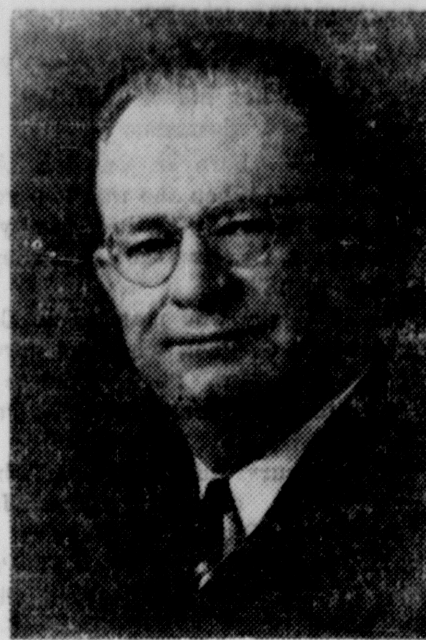

Yoemen Lose Out In Regional; Also Are Consolation Losers

The Yoemen were badly beaten in the Regional basketball meet in Austin Saturday.

Brenham won the meet and will go to the state finals. In the first game the Yoemen were beaten by Brenham by 20 points and the Yoemen were also defeated by San Marcos in the consolation game.

The Yoemen won their district and were among 32 basketball teams in Texas to go to regional meets. Coach Dick Young said that even though his boys were defeated they had a fine record this season.

Industrialist

LEWIS B. BLALOCK

Blalock Heads The Industrial Dept. of Texas Power & Light

Because of increased number of industrial customers and also looking to much larger industrial development of the territory served by Texas Power & Light Company, Lewis B. Blalock, heretofore manager of industrial sales, has been appointed to the position of director of industrial development, John W. Carpenter, president and general manager, announced this week.

"Texas Power & Light Company has always been interested in developing the territory it serves," said Mr. Carpenter. "Before the war we had a most active industrial development department which assisted chambers of commerce and other civic groups in attracting new industries to various communities. This department is now being revived, and we feel that Mr. Blalock's wide experience in industrial circles will enable him to render the fast-growing cities and communities in North, Central and East Texas served by the Company a very constructive service."

Mr. Blalock began work with the Texas Power & Light Company in 1925 as power sales engineer.

Snow Blankets The West; May Be Cold In Cameron Area

A blanket of snow was over a large portion of the northern and eastern sections of the country Monday and snow flurries were expected in the Texas Panhandle late Monday.

Rain had fallen over a large area of the Texas plains and over central and south Texas. It may get colder in the Cameron area by Tuesday but nothing like a damaging spell.

The rainfall in Milam county was light. Spring like weather was arrested here Sunday with a slight norther that brought traces of rain and a mild north wind.

Sheriff Gets \$5000 For Killing Bank Bandit At Bremond

Sheriff Bob Reeves of Robertson county has received \$5000 from the Texas Bankers Association for killing Hooper the Bremond bank robber.

Sheriff Reeves said that he used some of the money to pay off debts. He owns a small ranch near Franklin and is going to build a small lake with the balance of the money.

Printing is a home industry.

COMMISSION TO HEAR APPLICATION MARCH 15

Application of the Texas and New Orleans railroad to discontinue passenger train service over their lines through Cameron will be heard on March 15 at Austin, it has been announced.

The hearing previously set for 10 a. m. on February 12 has been re-set for 1:30 p. m. March 15.

The original hearing on the application was held in Rockdale. Delegations from all towns on the route from Waco to Yoakum protested the application to discontinue the service.

The railway company claims the train is losing money and cannot be operated. Interested cities point out that it would mean the loss of the only passenger train service they have and besides would do away with express service.

Cameron is served by two railroads the Santa Fe and the T & N. O.

The Cameron Chamber of Commerce is requesting a large delegation from Cameron and Milam county to attend the hearing in an effort to get the railroad commission to maintain the passenger train service.

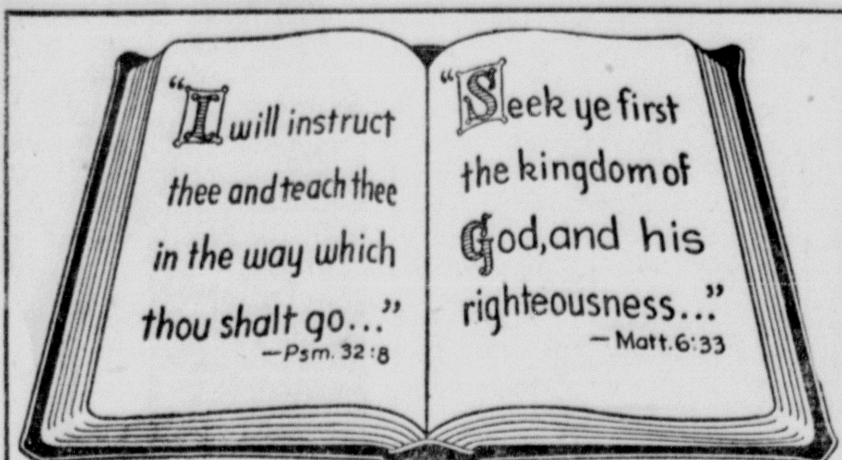

Printing is a home industry.

Dallas Leader For Baptist Training Union Coming Here

Miss Martha Griffith of the State Training Office of Dallas, will be in Cameron during the week of March 8 to 12 to direct the members of the First Baptist Church in a Training Union Revival.

Miss Griffith will also teach the young people and adults the book "Living Abundantly" by Frank Burkhalter. Other books that will be featured during the five night Study Course will be "The Junior and His Church" and "The Meaning of Church Membership".

Coach Leo Jackson serves the church as Training Union director and will have charge of the arrangement of the Revival during the week.

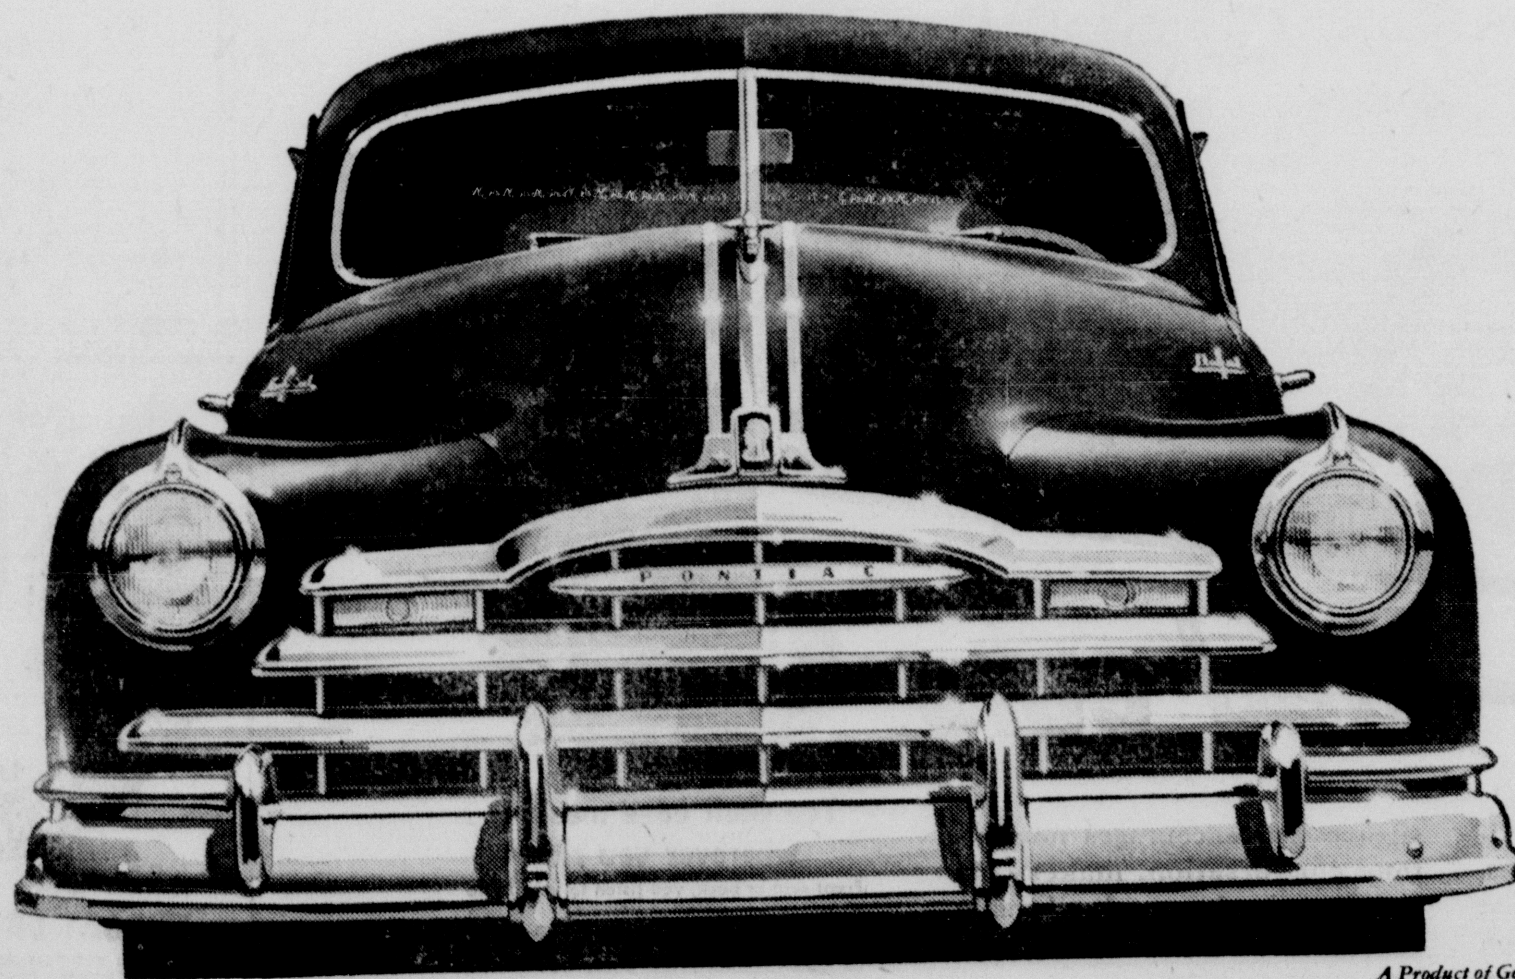

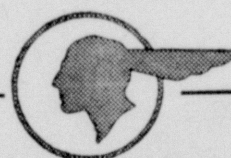

BRING YOUR CHILDREN TO CHURCH SCHOOL

8078-B

Presenting the new 1948 PONTIAC

A FINE CAR MADE EVEN FINER!

A Product of General Motors

GM Hydra-Matic Drive optional on all models!

Today, Pontiac announces a series of notable advancements in the car that has already won the wholehearted endorsement of more than a million owners and friends.

Foremost among these advancements is the great General Motors Hydra-Matic Drive—now offered as optional equipment on all Pontiac cars. Pontiac is the lowest-priced car in the world to provide this great mechanical

masterpiece—which shifts gears automatically, and completely eliminates the clutch pedal.

Coupled with this great engineering triumph is a striking improvement in beauty and luxury. New exterior smartness extends from the new radiator grille to the streamlined rear bumper.

Interiors, too, are remarkably improved. Upholsteries are more beautiful and are expertly blended to achieve new attractiveness and charm. Instrument panels are finished in a smart design adapted from quarter-sawn mahogany—and an adroit use of chrome moulding adds a deft touch of modernity.

Engine and chassis have been refined wherever possible—but they remain, basically, the same engineering masterpieces which have become

synonymous in the automotive industry with goodness and dependability.

There are many more things we could tell you about the new Pontiac, for there are countless improvements which add to its traditional quality and value. But we feel that, for those who know Pontiac, we need only say—

—here is, by far, the most beautiful Pontiac ever built

—here is the most luxurious Pontiac ever built

—here is the most dependable Pontiac ever built

—and it is now available with GM Hydra-Matic Drive—*optional at additional cost.

We wish only to add that it is here—on display in our showroom—and that you are most cordially invited to see and inspect it.

From where I sit... by Joe Marsh

How to Put Up with Women's Styles

When Will Dudley's missus finally gave in to the new-style longer skirts, Will was mighty critical at first. Allowed as how women were a slave to fashion... ought to dress to please their husbands and not style designers.

Sue finally reminded Will of his habit of sitting by the radio Saturday afternoons in shirt sleeves and old slippers, listening to the sportscasts with a mellow glass of beer. Suggested that maybe Will was a slave to comfort.

And Will admitted she was right

Perhaps the way somebody dresses isn't always to our taste—just as Will's glass of beer may be another person's cider.

But from where I sit, those little differences aren't important—unless we go out of our way to make them so, by being hypercritical. As Will says now: "Well, anyway, those long skirts hide a multitude of shins" ... and lets it go at that!

Joe Marsh

Society in the News

Mrs. C. C. Armstrong Hostess to Happy Time 42 Club Here

Mrs. C. C. Armstrong was hostess to The Happy Time 42 Club at her home Thursday, February 19. Several members were absent.

Mrs. Jimmie Crouch was welcomed into the club as a new member. The following visitors attended the party, Mrs. D. B. Gunn, Mrs. J. A. Cryer, Mrs. Leo Hawkins, Mrs. Henry McLane and Mrs. H. L. Dakel. Prizes were given to Mrs. L. C. Angell, Mrs. H. L. Dakel and Mrs. D. B. Gunn.

Following the party the hostess was assisted by Mrs. McLane and Mrs. Pat Yarbrough in serving cake and coffee to the guests.

The next meeting will be March 4 at the home of Mrs. Homer Allen.

Mr. and Mrs. Vernie Miller of Belmena spent Sunday in the home of her mother, Mrs. Walter Harris and Vernie. Mrs. Miller and Vernie attended services at the Birst Baptist church Sunday.

Mrs. W. M. Strickler Celebrates 76th Birthday, February 22

Mrs. W. M. Strickler of Ben Arnold celebrated her 76th birthday, Sunday, February 22, 1948.

A birthday dinner was served to the following relatives and friends; Mr. and Mrs. R. L. Boyles and daughters, Mr. and Mrs. Walter Strickler and son, Mr. and Mrs. Henry Kraemer and son, Mr. and Mrs. Perry Strickler, Mr. and Mrs. Ben Strickler, Mr. and Mrs. Ed Strickler, Mrs. Clara Nueman, Mr. and Mrs. Hugo Kuhn and son, Mr. and Mrs. Richard Heugater and sons, Mr. and Mrs. Jesse Strickler, Mr. and Mrs. Walter Hasselman, Mr. and Mrs. Ike Hasselman, Adolph Hasselman, and Mr. and Mrs. Dock Swanzey and daughters.

Mrs. Sam Hohenstein is visiting in the home of Mr. and Mrs. Buck Darwin and son, John Carrol of Texas City. The Darwins are former residents of Cameron.

Mrs. Canady Attends Sorority Chapter Meeting at Baylor

Mrs. C. L. Canady attended a meeting of Zeta chapter of Delta Kappa Gamma at the Morris Tea Rooms in Waco, Saturday. Miss Carol Canady was one of twelve young women from the Education Department at Baylor University selected as guests for the program on recruitment of teachers.

A brunch preceded the business meeting and program. Mrs. Canady is a member of the Waco chapter of this national organization of women in education.

Mrs. Matyastik Is Hostess to Leisure 42 Club on Friday

Mrs. John Matyastik entertained the "42" Leisure club at El Tampico at Rosebud last Friday evening. Mrs. Matyastik carried out a Valentine motif.

Prizes going to Mrs. W. W. Balhorn, high, Mrs. Henry Dakel, second, traveling fell to Mrs. A. K. Gurecky and Consolation went to Mrs. V. S. Leiskar.

The hostess, served cherry pie and coffee.

Mrs. Albert Matocha Hostess to St. Rita Circle February 18

Mrs. Albert Matocha was hostess to the St. Rita Circle at her home, February 18, with Mrs. Lincoln Mondrik as co-hostess.

Twenty-two members were present. During the business session, Mrs. David Shapiro gave an interesting talk.

Refreshments of strude topped with whipped cream and cherries were served with coffee.

The next meeting will be at the home of Mrs. Joe Heubner with Mrs. Louis Absnider as co-hostess.

Christian Mission Society Meets With Mrs. Dow Eylon

The ladies of the missionary society of the First Christian church met in the home of Mrs. Dow Eylon Monday evening. Mrs. A. L. Witcher had charge of the program. Mrs. Frank Reid gave the devotional. Mrs. W. G. Harsha and Mrs. A. Longmire gave talks on the lives of our early missionaries.

After the program, Mrs. Morris Eylon poured tea and the guests helped themselves to heart shaped sandwiches, olives on fruit cake.

The table was laid in a red cloth and centered with a clever arrangement of hearts in a pottery wheelbarrow. The next meeting will be in the home of Mrs. Olin Hearne in March.

Mrs. L. F. Slama Is Hostess to Leisure 42 Club Thursday

Mrs. L. F. Slama entertained the 42 Leisure Club at her home Thursday.

All members and one guest, Mrs. Jinny Angell were present.

Several games of 42 were played with Mrs. Leo Stecher winning high, Mrs. A. K. Gurecky second high, Mrs. Bill Balhorn traveling prize and Mrs. E. O. Schiller "84" The winners were present with lovely towels and matching wash cloths.

The hostess was assisted in serving by Mrs. Henry Dakel and Mrs. Henry McLane. A delicious salad plate consisting of dainty ribbon sandwiches, potato chips, candy and coffee was served. Plate favors were tiny American flags, in keeping with the current holiday.

Betty Jean Frazer And Marvin Doolittle Married in Houston

Friends have received word of the marriage of Miss Betty Jean Frazer of Houston to Marvin O. Doolittle. The marriage was solemnized at Southland Baptist Church, with Rev. A. J. Martin reading the double ring ceremony before an altar graced with a large bouquet of lavender chrysanthemums.

Miss Jo Miller played the traditional wedding marches and accompanied L. T. Standley, who sang "I Love You Truly".

The bride entered with her father, who gave her in marriage. She wore an original model tulle of lace-blue satin created with a V neckline, long sleeves and full skirt. Self covered buttons closed the front of the jacket. Her straw hat was enhanced with blue and pink spring blossoms and ribbon. Brown accessories and a white orchid completed her ensemble.

Mrs. W. E. Doolittle attended the bride as matron of honor. She wore a dress of black crepe with white

hat adorned with a black veil. Her corsage was of white carnations.

Milton Doolittle served his brother as best man.

The bride is the daughter of Mr. and Mrs. W. H. Frazer and the groom is the son of Mr. and Mrs. Harry Raymond all of Houston. The bride is the niece of Miss Kittie Smith, who once lived in Cameron. She is also a great niece of W. U. Osburn.

Surprise Dinner For Ed Juneks Feb. 19

Mr. and Mrs. Ed Junek were surprised on their 40th wedding anniversary February 10 at their home near Curry.

A delicious chicken dinner was served to the following guests: Mr. and Mrs. Marvin Junek and son, Mr. and Mrs. Eddie Junek, Mr. and Mrs. Walter Junek and children, Gilda, Irene, Annie May, Eugene, Elmo and Leonard, Mr. and Mrs. John Eisfeldt and family, Mr. and Mrs. Charlie Mayer and daughters, Margie Jane and Rebecca Joe, Charlie Porubsky, Sr., Charlie Porubsky, Jr., Leo Porubsky, Mr. and Mrs. Robert Lange, Mr. and Mrs. Harold Wade, Mr. and

Mrs. Henry Horelica, Ella, Paul, William and Edwin Mueck, Eugene Jistel and Ernest Wiedner all of Cameron. All of Mr. and Mrs. Junek children were present except Mrs. Edgar Mass of Rockdale and Mrs. Allene Eisfeldt of Lockhart.

Following the dinner a house party was given with music played by Paul and William Mueck.

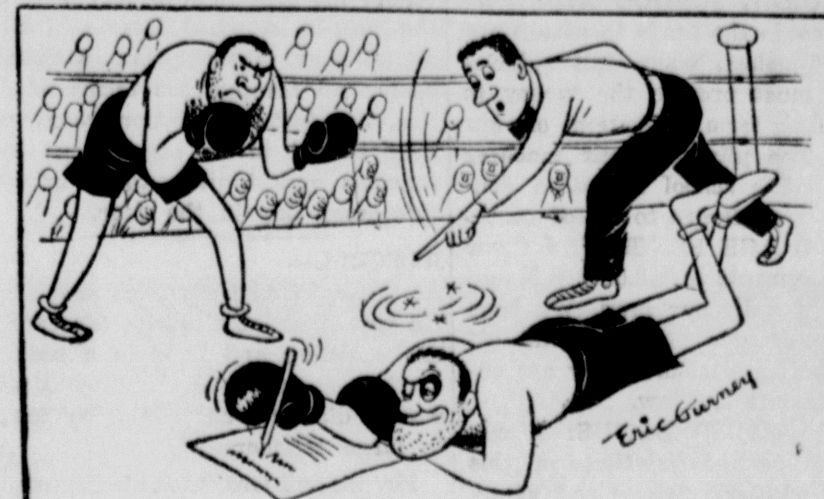

Mr. Junek was born near Brenham and moved to Bell county with his parents at an early age. He later

moved to Williamson county and was married to the former Edith Kenney. For the past years they have made their home in Milam county.

The honorees received many beautiful and useful gifts.

Mrs. Ida Nichols of Madisonville spent the week end in the home of Mrs. Ida Boggan.

Mrs. Mary V. Posey spent the week end with her daughter and family Mrs. Erle Adrian of Temple.

CAMERON, TEXAS

Good railroad service doesn't just happen!

GREAT and enduring things seldom happen by chance. Only through vision and planned action does man discover new and better ways to serve.

In pursuit of this policy, Southern Pacific maintains a constant program of expansion and improvement, seeking new ways to better our services to travelers and shippers.

As part of the plan to speed trains smoothly and safely over its 15,000 miles of railways between the Gulf Coast and the Pacific Coast, Southern Pacific has invested many millions of dollars in improving tracks and roadbeds. Heavier rail has been laid, stronger bridges constructed, grades reduced, curvatures eased, terminals enlarged and passing tracks extended. Special test cars, equipped with the latest types of scientific instruments, maintain a constant watch over rails, searching for possible flaws. Southern Pacific has its own research laboratory to test the performance of its equipment and materials.

Sweeping improvements in freight and passenger services have been made since the war. In freight serv-

ice, fast overnight merchandise trains were restored, and fast pre-war schedules for transcontinental freight shipments were resumed to cut a full day from cross-country runs. Thousands of new freight cars have been ordered and SP shops are working night and day to restore worn equipment to service.

Passenger schedules on all principal routes have been drastically shortened and services improved to give greater comfort and safety to our travelers. Many of Southern Pacific's transcontinental limiteds are now running on the fastest schedules in their history.

These are but a few of the many accomplishments of Southern Pacific's men and women who are determined to afford their customers the finest in rail transportation. To fulfill our obligation to the growing territory we serve, we pledge our continued program of progressiveness.

HALEY—

(continued from page one)
ity of the people at all times.

"Here in brief are the most vital needs of the people of this District:

"1. RURAL ROADS: I will advocate or support legislation that will enable smaller counties like ours to have farm to market roads like other counties have. I submit that it is the duty of your Representative to work for and get your share of the road money to which you are entitled.

"2. RURAL SCHOOL AID: We must provide the funds to assure our School Teachers their full salaries and we must provide the money to insure full term operation of our schools. The plight of our teachers and of public school education generally is a challenge to all of us.

"3. OLD AGE PENSION: I favor raising payments to \$50.00 per month as permitted by our laws. We have too long delayed paying our old people the full amounts they are entitled to under the law.

"4. VETERANS BONUS: I will favor the best legislation on this proposed payment to our war veterans that will give the greatest benefits. We cannot do too much for the men who served our State and our Country in the hour of grave peril.

"5. REDISTRICTION: I am in favor of redistriction if it does not take away the right of the people in our district to have a voice in their government. I do not believe that anyone in Milam, Lee or Burleson counties would vote to lose their representation in their government, therefore I shall do everything in my power to keep our representation in our government. I believe it is the duty of the Legislature to redistrict the state as provided in the Constitution and that no other method is necessary. As a member of the Legislature I shall work to keep our District like the people want it and to preserve everything in it.

"Between now and election day I will be making every effort to see as many people as possible and to discuss with them in person the many problems that are confronting the different sections of our district. As the campaign develops I will have

more to say as to what I will seek for the people. I hope the people will give me the opportunity to serve them in the House of Representatives.

Mr. Haley is 33 years old and a member of the Methodist Church. He is married and has two children, a girl 11 and a boy 3 years old. He resided in Giddings for 6 years and 9 years past in Rockdale.

Mr. Haley said that if elected he will maintain constant contact with all sections of the District so that he may be in position at all times to render the maximum of service to all the people. A good Representative, he believes, should visit with the people all through his terms of office, not just on election year, and they should invite suggestions and welcome opportunities to be of service every day in the year.

RUSSELL—

(continued from page one)

He was especially known for rattlesnake killing and lived in a section of the county where the famous and deadly diamond back may be found in large numbers.

Mr. Russell was interested in many things, among them Indian relics and was very observing, always noting anything of unusual interest as he moved about along the eroded creek banks and hillsides.

In the early days Swamp John Russell was a rough and tough, hardy pioneer with great courage and never overlooked a bet when it came to standing up for his rights. It has been said of him, and with a twinkle in his eye, never denied, that he could whip any man in the world and may have proven it many times.

He lived alone for years on his Lapan Green grounds and knew the freedom of the landscape. He no doubt was richer in spirit for the experience.

Mr. Russell was native of Alabama, born sometime prior to 1860. He had lived at Buckholts for the past 44 years.

Funeral services were to be held Thursday afternoon at 3 o'clock February 26 at the Green Funeral Home in Cameron with Rev. John H. Glass, Full Gospel minister, officiating. Interment was made in Marak cemetery.

Surviving are his widow of Buckholts and two daughters, Mrs. Jesse Eaton of Buckholts and Mrs. John Eaton of Killean; three sons Lamb Russell of Dallas, Randolph Russell of Buckholts and Robert Russell of Dallas. One stepson Marion Adkins and one step daughter, Mrs. Jim Warner of Dallas.

Senior Scouts To Hunt On Coffield Dimmit Co. Ranch

Eleven Senior Scouts of Rockdale and five Senior Scouts of Thorndale have registered for the bobcat and coyote hunt to be held on the Diamond H Ranch in Dimmitt County March 12-13-14-15.

H. H. Coffield, Council President, invited the Senior Scouts of the Heart O' Texas Council to hold the hunt on his ranch and has arranged for a professional hunter and a state game warden to conduct the adventure for the older Scouts of the Council.

Rockdale Seniors registered for the hunt are: H. D. Maxwell, Jr., George Haley, Shelby Newman, Martin Talbot, Henry Hall, Glen Phillips, Buddy Howell, Nicholas Garza, Doyle Urban, Lee Garcia, Ralph Leech.

Thorndale Senior Scouts to attend the hunt are: Jack Gutzler, A. H. Ebner, Lloyd Chambers, L. B. Edmondson and Hugh Daniels.—Rockdale Reporter.

Assault Is Retired After Failure In Widener Race

MIAMI, Fla., Feb. 22—Assault, the clubfooted "Cinderella" of the thoroughbred racing world, is to be retired effective immediately.

Robert J. Kleberg, owner of the champion which has earned \$626,620 to become the third ranking money earning race horse in the world, said Assault will be shipped to Kentucky "for at least a year."

Thus the racing career of a horse that wouldn't let a crippled foot interfere comes to an end.

His last race was Saturday when he ran fifth in the \$50,000 Widener classic at Hialeach, four lengths behind his arch rival, Calumet farm's Armed.

Kleberg said Assault, which won triple crown honors in 1946, burst an osslet, a growth of the horse's ankle peculiar to racing thoroughbreds, in the race Saturday.

Assault's future as a champion race horse was nearly ended in 1943 when he stepped on a surveyor's stake on a Texas ranch. The stake, which drove into the right forefoot, caused a permanent injury which made it necessary to wear a specially-made built up shoe.

The malformation has caused him to be called the "club-footed comet" and the "Cinderella of the turf."

In 1946 he developed a kidney ailment which threatened to cut short his racing career. But this too was

overcome and he went on to be voted the "horse of the year" in 1946.

Twice last year Assault was the world's leading money earning thoroughbred. It was the same year that the title changed six times, juggling between Stymie, now the number one, Armed, number two and Assault.

A splint on the left fore leg was blamed for his poor showing in a \$100,000 match race with Armed last year at Belmont park. Assault ran six lengths behind the golden gelding.

The firing iron was applied to the splint and after a long rest in Columbia, S. C., Assault was shipped here this winter to run in the Widener.

His initial 1948 appearance was a success. He won an overnight event in a photo finish with Rampart.

125 Phones Go Out On Cable Trouble

Southwestern Bell Telephone Company's lines in the city were partially out of order Friday morning when 125 phones were unusable.

Trouble developed in a cable serving a section of the business area. Among the telephones not open was The Herald.

Workmen were on the job and the company hoped to have the cable eliminated in a few hours. There was no immediate explanation of the cause of the trouble.

Printing is a home industry.

Trent Mitchell spent the week end with her parents, Mr. and Mrs. Homer Nabours of Cameron. Mrs. Mitchell was formerly with the Unemployment agency in Cameron and a few months ago was transferred to same work in Temple.

Mr. and Mrs. Henry Brown visited Mr. Brown's mother who is very ill at her home in Rockdale.

Mrs. Paul Brown of Austin was a Cameron visitor Thursday and attended the funeral of Mrs. E. N. Shaw. Mrs. Brown is the former, Mae Ralston.

Goodhue Rogers of Salem is a surgery patient in a Marlin Hospital. Friends will be glad to know that he is doing well.
